

Challenger 604

N604CH

The Bombardier Challenger 604 has established a proven track record for dependability, reliability, and outstanding value.

Offering one of the widest cabins of any true business jet available today, stand-up room of over six feet, and a passive noise insulation system, it provides superior cabin comfort for its passengers with coast to coast capability.

At Ventura, we have been providing charter, sales and aircraft maintenance services for more than 60 years. From the beginning, Ventura has been committed to three key principles: safety, customer satisfaction and exceptional service. We take pride in leveraging our unique set of in house services, such as full time maintenance and avionics support, to provide you with the highest levels of safety, reliability, and customer service in the industry.
